

Important Information about Doggie PlayCare

Doggie PlayCare is supervised off leash play with other dogs. It offers numerous benefits for your dog including: socialization, exercise, manners with dogs and humans, basic training, bite inhibition, and more. The Palms offers indoor and outdoor areas for play. Dogs in our pack have been temperament tested to ensure the safety for all. The temperament test measures attitudes and serves as a tool for evaluating how a dog might act and react in various situations.

Our hours are Monday through Friday 7:00 am- 6:00 pm. Monday, Wednesday, and Fridays are big dog days. Small dogs must to be approved for these days by us to ensure their safety with the bigger dogs. Tuesdays and Thursdays are small dog days for dogs 30 lbs. or less. Some larger dogs may be allowed these days if approved by staff.
